BARN DOOR LOCK

Adds privacy to interior sliding barn doors while maintaining smooth, easy operation.

Designed for sliding applications
Works with single, bi-parting, or by-passing wood doors

Reliable privacy function
Helps prevent the door from being opened while in use

Emergency release feature
Allows quick access from the outside for added safety

Flexible installation
Can be mounted on either side of the door

Fits standard door sizes
Accommodates doors from 1-3/8” to 1-3/4” thick

Clean, low-profile design
Complements a variety of interior hardware styles
